

By Phat

NOW I KNOW—A kindly managing editor told me in my cubbing days: The only fellow who never makes a mistake is the fellow who never does anything... I always liked that. It's a good alibi... Last Friday I wondered what had become of the Golden Spike. Saturday I knew. Seventeen Villagers called my attention to an advertisement on Page Six of that same issue with the universal query: Why don't you read your own paper. Anyway, I found out they do... Jim Shea, the Essee's prime mover here was the first. He was in at 8:01.54 Saturday... Pointed out an S. P. display on Page Six which informed the Village that the Golden Spike, the 75th anniversary of which was celebrated last week, was in a vault in San Francisco.

SMART—I have a friend who admits one out of every five mistakes. Thus he gains a reputation for frankness and isn't blamed for the four other mistakes about which he is silent... A Village girl numbers all of her letters to the boy friend overseas and keeps a carbon copy of all of them. When he forgets, she writes: Why didn't you answer my question on page 2, line 12 of letter No. 86? When the boys first left home and their letters didn't enlarge on the things a mother wants to know, Mrs. G. used to send them a questionnaire which they were to fill out and return. In that way she got the answers to the questions of vitamins, hours of sleep, the laundry situation and so on... "The New Deal bureau missed a bet when they didn't grab Mom," said one of them, commenting on the forms he had to fill out.

WHY?—Why isn't something done about Windy Point? Too many have been killed there... When driving north, the smart driver allows plenty of room when approaching that spot to provide for any car which may be speeding south... The sharp curve is so banked that a Village-bound car is thrown into the opposite lane if it hits Windy Point too fast... Looks like a simple engineering problem to end the menace—or maybe they can't get materials... The city should keep those gas masks which arrived so belatedly. After all, this is election year... Editor W. H. Grant of the Indio News, commenting on the election in which Indio's favorite son, Frank Tebo, was defeated by Palm Springs' Phil Boyd, said some nice things about Boyd and then added: Losing Frank many votes was the unsolicited support of a small-time smear sheet... angered by the malicious attacks on Boyd in the political scavenger's sheet, many switched their votes to the Palm Springs man.

THIS AND THAT—There's some good in everything. A mid-western health officer says that the use of goopy lipstick has resulted in more careful washing of cups and glasses in restaurants... Are the bed clothes all wound up in a knot when you arise in the morning? It's all right. Some scientist has just concluded a survey in which he found the average sleeper turned over 35 times in the night. Must have been an interesting survey... The fearless OPA brought forth a definition of hamburger last week. Soon we may expect Bill Lippman to show us what is hash.

WAR—The May new moon has gone with still no invasion. Next new moon is June 20 when the tides will be highest, nights darkest. That's no military secret, the Nazis have weather men, too... Informed military men say they don't know when the war in Europe will end but they think it will be this year. As to Japan, perhaps late in 1945 or early in 1946... Women taxicab drivers in Portland, Ore., have protested a city ordinance making compulsory the posting of drivers' names home address and phone numbers in cabs. They're afraid they'll find a wolf at the door.

TRAFFIC—Auto traffic should begin to thin out now. Normally, your No. 12 gasoline coupon would have been good last Monday. But it won't until June 22. How many No. 11s have you left? A lot of drivers used their No. 11s as usual and find themselves walking for a few weeks... Some people say there is plenty of gasoline but there will be no easing of the situation for a while. It isn't gas or tires the OPA is trying to save. It's the cars themselves. They're wearing out and a national transportation crisis looms unless travel is cut down... The average B-card driver does 309 miles a month, the C-card driver, 845 miles. What's (Please Turn to Page 4)

Price Five Cents

Indians Win Right to Sue Over Land

Supreme Court Rules Courts Must Hear Patent Litigation

In a decision handed down by the United States Supreme Court Monday of this week, another chapter was written in the 30-year controversy whether lands occupied by the Ague Caliente band of Mission Indians are the property of the entire tribe or whether allotments made in 1927, which the department of Justice claims were never approved are valid.

VARIED OPINIONS

David D. Sallee, one of the attorneys for the Indians, declared the decision would make the local band of Indians second only to the Cherokee Indians of Oklahoma, in wealth.

Norman Littell, assistant attorney general of the United States, in Los Angeles, said: "The statement of David D. Sallee, counsel for Lee Arenas that the decision of the Supreme Court would make the Palm Springs Indians second only to the Oklahoma Cherokees in wealth, is preposterous and absurd and grossly misleading to the Indians."

"At no time has the ownership of the land (by the Indians) been involved," he said in a statement over long distance telephone to The Desert Sun. "The sole question was whether the Indians held the land as tribal lands, owned by the tribe as district court judges and the U. S. circuit court of appeals have held or whether an attempt to allot lands to individual Indians has been in effect even if the secretary of the Interior has not approved the program."

(In its decision Monday the Supreme Court ruled that the secretary of the Interior has no right to refuse to issue patents to land under an act of congress merely because of a change in the departmental policy.)

RIGHT TO SUE

"It was held by the Supreme Court that Lee Arenas has the right to prove, if he can, in a trial of the matter, that the allotment of certain lands is valid and that he should be issued a patent," Littell continued. "Not one foot of land has been added to what the Indians already owned and the old question of as to how the land shall be divided still exists. The Indian counsel, Sallee, failed to explain this to his clients."

The assistant attorney general said that the government has long sought an equitable distribution of the lands here to all members of the tribe.

NOT BEFORE COURT

"But this and the fact that a few members of the tribe own a lion's share of the land, was not before the court when it handed down its decision Monday. Only the legality of an attempted allotment was considered."

Mr. Littell said that he had (Please Turn to Page 5)

Four-Way Stop For Indian, Tamarisk

Amendment to the city traffic ordinance to establish a four-way stop at the intersection of Tamarisk road and Indian avenue was introduced at this week's city council session.

At present the boulevard stop signs are against Tamarisk road traffic only.

Fifth War Loan Quota to Be Set

Quota for Palm Springs in the Fifth War Loan drive is expected to be set within a few days following a meeting of chairmen of war loan committees in various southland communities this week at the Biltmore hotel, Los Angeles.

Air Base Invites Village

Colonel Richard D. Morgan, commanding officer of the 21st Ferrying Group, Ferrying division, Air Transport Command, at the army air field here, issued a special invitation to Villagers to visit the air base next Monday afternoon when an open house with a formal military review and parade, a military band concert and transportation in military vehicles, including Jeeps, will be staged.

The event is in celebration of the Air Transport Command's Third Anniversary which falls on that date. And the open house will help acquaint the public with the vital work being done in the war effort by the Air Transport Command, of which the 21st Ferrying Group of the Ferrying Division forms a vital link.

BETWEEN 4 AND 6:30

Gates of the local air base will be thrown open to civilian visitors Monday, between the hours of 4 p. m. and 6:30 p. m. Through the cooperation of the Palm Springs Chamber of Commerce, headed by Gordon Feekings, president, and assisted by Walter Kofeldt, executive secretary, arrangements have been made to pick up visitors in front of the downtown Chamber of Commerce office, 310 North Palm Canyon drive, every 15 minutes beginning (Please Turn to Page 3)

One Dead, Six Hurt in Crash At Windy Point

One man was killed and six persons injured, some seriously, in a head-on collision at Windy Point, scene of many automobile accidents in the past few years.

The dead man was Chester Jack Rudy of this city, who was driving alone toward Palm Spring at the time of the crash, about 1:20 a. m., Sunday.

At Windy Point where a sharp curve is made particularly dangerous by an abrupt rise in the pavement, Rudy's car and one reported driven by Harry Spilerson, 40, of Los Angeles, collided almost head on.

CARS DEMOLISHED

Both machines were practically demolished.

With Spilerson were five other persons, all from Highland Springs resort between Beaumont and Banning. More seriously hurt (Please Turn to Page 10)

Claim Coin Machines on Losing Side

Following weeks of oratory and argument, city council Wednesday night confined protests against Ordinance No. 146 which establishes a new, higher fee for coin machines, to actual figures in order to reach a clearer understanding of the situation.

J. S. Rawley, representing a weighing machine concern, spoke for his company and another and presented figures showing the average 'take' of a weighing machine was about \$2 monthly. The license established in the ordinance is \$12 per year. He quoted from ordinances of other cities, many of which charged no fees at all for weighing machines and the majority of the remainder charging \$1 per year. M. L. Ivie of another company, substantiated Mr. Rawley's figures.

SAYS 'TAKE' IS LOW

R. N. Buchwalter, operator of cigarette vending machines, submitted figures showing the average take of those machines was \$38.07. The fees charged by the ordinance are \$25 per year.

M. M. Pavney appeared on behalf of (Please Turn to Page 4)

School Vote Enlivened By Write-in

Record Turn-Out At Polls Echoes Brisk Campaign

What started out to be the usual quiet school election turned into quite an affair last Friday when a write-in campaign started a flurry of excitement, prompting some brisk maneuvering by friends of the incumbents and sent a total of 284 voters to the polls. Ordinarily a turn-out of 60 voters at a school election is considered good here. Last year 31 persons took time out to elect a school board.

Incumbents were returned in all cases here last Friday. Terms of Charles Burkett, president of the high school board and Eugene E. Theriault expired this year and they were candidates to succeed themselves as high school trustees. On the Desert District school board the term of Francis F. Crocker expired and he also was a candidate to succeed himself.

VOTE PILES UP

Late Thursday word circulated that a write-in campaign was brewing. When the total vote began to mount Friday out of proportion to the usual school election turn-out, friends of Messrs. Burkett, Theriault and Crocker began to round up the citizenry. As a result, 284 participated in this year's school election, compared with 31 last year.

One hundred ballots had been sent to the district by the county school office and it was thought that this number was more than ample. When the great rush of voters developed, Miss Katherine Finchy, Desert District superintendent, hastily summoned her aides at the Frances Stevens school where both elections were being held and two hundred more ballots were mimeographed to accommodate all of the voters.

VOTE PILES UP

Towards 6 o'clock, with voters still streaming in, Miss Finchy stood by prepared to rush out more ballots but when the last voter had deposited his ballot there were still 16 left.

The results of the high school election:

E. E. Theriault	234
Charles Burkett	203
John Chaffey	86
A. E. Bailey	3
Maurice McCann	1

The Desert School district results:

Francis Crocker	274
John Chaffey	4

Jerry Sanborn Is Now in Hospital At Naval Station

G. K. "Jerry" Sanborn, formerly city engineer, who saw service overseas with the Seabees, is now at the U. S. Naval hospital at San Diego. He arrived in Oakland a week ago yesterday and left for San Diego Tuesday.

He said he had received a letter from Milton Hicks who related that the outfit he and Hicks were in had moved up again and were in the thick of things.

Sanborn hopes to be in Palm Springs soon.

Post Office Will Go On Summer Schedule June 1; Will Be Closed Saturday Afternoons, No Sunday Mail

Postmaster R. M. Gorham said today that commencing June 1, the summer schedule would be effective at the Palm Springs post office.

The office will close Saturday afternoons at 1 o'clock and there will be no mail distribution to boxes on Sundays.

Postmaster Gorham pointed out that most post offices close Saturday afternoons the year around but that the local office has remained open to accommodate visitors, soldiers and Villagers throughout the winter season. With the easing off of the demand during the summer, the closing rule will be invoked.

Heretofore, also because of the

Post Office to Move To Plaza This Fall

City May Pass Up Federal Recreation Grant Next Year

The city will handle its own recreation program during the next fiscal year without aid of a federal grant, it was indicated at Wednesday night's city council meeting when the Recreation Commission presented a three-fold recommendation urging ultimate acquisition of the Field Club, establishment of a comprehensive recreation program and a city-financed program without aid of federal funds.

The commission's recommendation stated that the federal grant was so hedged about with restrictions that it vitally affected the recreation program.

EXPLAINS PLANS

Frank W. Cutler of the commission appeared before council and enlarged on the recommendations. He declared that the board felt the city should acquire the Field Club and that action

toward renewal of the lease pending the purchase should be taken. He said that recreation in the Village should be put on a long term plan and should include more activity for Villagers as well as soldier recreation.

WITHOUT U. S. AID

The commission felt, he said, that such a program should be put on a pattern which the city (Please Turn to Page 5)

Program for Memorial Day Is Completed

Program for the observance of Memorial Day in Palm Springs was announced this week by the local posts of the American Legion and Veterans of Foreign Wars, jointly sponsoring the event.

A parade in which members of the posts, military personnel, Boy Scouts and other patriotic organizations will participate, will leave the Frances S. Stevens school promptly at nine next Tuesday morning.

AT CEMETERY

The program will be at the cemetery and Harold Lienau, vice commander elect of the Owen Coffman post of the American Legion, and C. B. Self, deputy chief of staff of the V. F. W., department of California, will open the observance with appropriate remarks. The Rev. B. B. Weatherall, pastor emeritus of Community church, will present the prayer.

Lt. Col. George C. Pearson, chaplain at Torney General hospital, will be the speaker of the day.

SCOUTS TO AID

Boy Scout Troop No. 39, of Palm Springs, will be in charge of placing the flowers on the graves.

Capt. R. J. Martin, chaplain of the 21st Ferrying Group, will present a Memorial Day reading.

The 1270th Guard Squadron of the 21st Ferrying Group base, under leadership of Lt. Nick S. Podlewski, will provide the firing squad for the salute, following which taps will be sounded.

Special floral pieces will be donated by C. C. Neel and E. E. Hoppe.

School Comes To an End for Village Youths

Fifty-two eighth graders at the Nellie N. Coffman Junior high school, the largest graduation class in that school's history, received diplomas last night at exercises at the school.

The diplomas were presented by Francis F. Crocker, clerk of the Desert District school board acting on behalf of Mrs. Nellie N. Coffman, board president.

AWARDS MADE

Col. E. T. Thompson of Torney General Hospital was the speaker of the evening.

The American Legion award went to Mortel Goldberg and to

Individual pictures of Palm Springs high school class of 1944—33 of them—who will be presented diplomas at graduation exercises at the high school tonight may be found on Page 6 today. They are printed through courtesy of Chia, the high school annual.

Marlys Ruth Mayfield, Presentation was made by Stanton Griffin of the Owen Coffman Post in an appropriate talk.

The D.A.R. awards went to Constance Tilghman and Herbert Drury. Presentation was made by Miss Paloma Prouty from County Superintendent E. E. Smith's office.

Sixth graders from Frances S. Stevens, Cahulla and Cathedral City schools were given certificates of promotion to Junior high school at exercises held at Frances Stevens school auditorium Wednesday morning. Palm Springs Lions club awards went to Ann Oliver and Donald Mendoza of Stevens school, Gloria Spore and James McNeely of Cahulla and Marjorie Dillard and James Herra of Cathedral City.

WITHOUT A MISS

A gold medal was presented to Bobby Sandeffer of Cahulla school for six years of perfect attendance and to Gerald Maloof for five years without a miss or being late.

Tonight at Palm Springs high school 25 members of the Senior class will receive their diplomas. There were 33 in the class but the others received their diplomas in midyear.

Charles Burkett On Planning Commission

City council Wednesday night confirmed Mayor Eugene E. Theriault's nomination of Charles Burkett to the city planning commission.

He succeeds Francis F. Crocker, resigned.

Ransom Proposal Is Accepted By P. O. Department

Postmaster R. M. Gorham this week said that the post office department had accepted the proposal submitted by Robert Ransom, on behalf of the owners of The Plaza for lease of quarters for the Palm Springs post office and that the office would be established in new quarters, on the north side of The Plaza at the corner of Indian avenue, this fall.

The site is now occupied by the Desert Furniture company.

BUSINESS BOOMS

Because of the rapid growth of business at the local post office, present headquarters have been found cramped for some time and last spring, the department advertised for proposals for lease of new quarters. The proposed site offers 135 foot frontage on The Plaza and also the needed space on Indian avenue to meet requirements. Alterations to change the room into suitable quarters for the post office will be started this fall.

The post office is expected to occupy the site Nov. 1.

UP 60 PER CENT

Postmaster Gorham said that in 1943, business at the post office was 60 per cent better than in 1942. The first quarter of 1944 showed a substantial increase over the similar quarter in 1943. In January, February and March this year the total business was \$33,308.75 and during the same three months last year, \$26,185.87. Present quarters have been overcrowded for some time.

Mr. and Mrs. Edward Waskow of the Desert Furniture company will announce their plans later.

Walk Wash Measure is Back Again

Ordinance No. 137 is in again. The controversial "walk-wash" bill, subject of much discussion last summer, came back on the council table Wednesday night when City Manager Ray M. Sorum recommended that the hours during which time washing of walks is permitted be changed to read "from 5 to 8 a. m." instead of "from 5 to 7 a. m."

Mr. Sorum also called attention to section 1 of the ordinance which prohibits sweeping of trash into gutters and said this section was being violated with great frequency, especially since the ban on washing walks after 7 a. m.

Mr. Sorum said that sweeping of sidewalks occurred at all times of the day and that the accumulation (Please Turn to Page 4)

City Will Confer With Shelter On Stray Dog Problem

The question of what to do about the stray dog question here, both from a health and a humane standpoint, was in the hands of City Manager Ray Sorum, the Desert Animal Shelter and the general committee of the city council today as result of action taken at Wednesday's council meeting.

Mr. Sorum, to whom the question was referred two weeks ago when City Health Official O. B. McRory called attention to the situation, reported this week on the cost of maintaining a dog catcher and city pound. Mrs. Billy Lipps, representing the Shelter, said that organization was ready to cooperate with the city to the fullest extent and it was left to Mr. Sorum, the Shelter and general committee of which Councilman Charles Adams is chairman, to work out a solution.

Mrs. Visel Named to Direct Church Music Next Year

Board of trustees of Community church, meeting last week, engaged the services of Mrs. Holly Lash Visel to direct musical activities of the church for the next season. Mrs. Lois Lux was engaged as church organist. There will be five choirs next year it was announced.

During the past season Mrs. Visel recorded an outstanding success in her work as musical director and news that she will be back again next season was received with pleasure by Villagers.

The board also engaged Elmer Markham as caretaker of the church property.

There will be no evening services during the rest of the season at the church, it was announced. Services next Sunday will be at 9:45 a. m., Sunday School, and at 11 a. m. Chaplain R. J. Martin of the Army Air Base will conduct the service, assisted by Dr. B. B. Weatherall. It will be the final service of the season at Community church which will be closed until fall.

Christian Endeavor Meets All Summer

Christian Endeavor society of the Community church will meet during the summer months at the home of Mrs. Leota Coble at 396 North Palm Canyon drive, it was announced this week.

The society will meet for the last time this season at the church at 7:30 p. m. next Sunday.

Episcopal Church Sunday School to Close On Sunday

Holy Communion will be celebrated at 8 a. m. and 11 a. m., at St. Paul's in the Desert, Episcopal church, with the Rev. Robert M. Hogarth preaching at the 11 o'clock service on "Spiritual Unity in Wartime."

"Sunday, May 28, 'Pentecost', fifty days after Easter, the Holy Spirit came to the disciples of Jesus to enable them to walk alone, now that they at last understood that He had ascended into Heaven," said the vicar.

SCHOOL TO CLOSE

Closing session of the Sunday school will be held at 9:45 a. m. with presentation of awards of merits and citations made of all honor pupils. The junior choir will sing and will receive special mention for very faithful service, Rev. Hogarth said.

Young people's fellowship class will meet in final session of the season in a picnic in Eagle Canyon. Cars will leave the home of Julie Martineau, 221 Via Colusa, promptly at 6 p. m., it was announced.

CLOSE JUNE 11

Two more church services will be held at the winter hours of 8 a. m. and 11 a. m., the vicar announced. These will be on June 4 and 11. After the latter date, the church will close for the summer months until September 15.

Father Raley to Spend Summer in Big Bear District

The Rev. C. Norman Raley, pastor of Our Lady of Solitude, Catholic church has been transferred to Big Bear and after a brief rest at Huntington Park, will serve that parish. Filling Father Raley's place here for the summer is the Rev. Michael Phelan.

During the summer two Masses will be said Sundays at Our Lady of Solitude church, at 7 and 9 a. m.

For Essential Transportation — U-Drive Cars. Phone 4444.

CHRISTIAN SCIENCE CHURCHES
The Golden Text in the Sunday Lesson-Sermon in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is from Romans: "I would have you wise unto that which is good, and simple concerning evil. And the God of peace shall bruise Satan under your feet shortly." "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" is the subject.

"I am the light of the world," asserts Jesus in John's Gospel, and he continues, "he that followeth me shall not walk in darkness, but shall have the light of life." The Pharisees say unto him, "Thou bearest record of thyself; thy record is not true." Jesus answers, "Though I bear record of myself, yet my record is true: for I know whence I came, and whither I go; I speak that which I have seen with my Father: and ye do that which ye have seen with your father. . . . Ye are of your father the devil, and the lusts of your father ye will do."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Jesus never intimated that God made a devil, but he did say, 'Ye are of your father, the devil.' All these sayings were to show that mind in matter is the author of itself, and is simply a falsity and illusion."

Rationing Rules

Your Coupon Schedule

Shoes—Airplane stamps 1 and 2, Book 3, good for one pair of shoes each, no expiration date.

Sugar—Stamps 30 and 31, Book 4, good for five pounds each, no expiration date. Stamp 40, five pounds canning sugar, expires Feb. 28, 1945.

Canned Foods—Blue stamps, (worth 10 points each) A8 to Q8, Book 4, no expiration date.

Meats, Etc.—Red stamps A8 to T8, (worth 10 points each) Book 4, no expiration date.

Gasoline—Coupon 11 (A-book), 3 gallons each. Expires June 21.

Grease Bonus—Butchers will give two red tokens for every pound of salvaged kitchen fats received.

Tire Inspections—Save your tire inspection records even if inspections are no longer necessary. Requests for new tires must be accompanied by record of inspections.

It is estimated that approximately \$3 billion a year for five years will be required after the war for highway repairs, construction and extension.

The second inaugural address of George Washington contained only 134 words.

It's the War, Plus a Lot of Other Things

Due to the rising cost of labor, material and all that goes into the making of a newspaper, the subscription price of The Desert Sun will go to \$3 per year on June 1. But—all who wish to subscribe before that date, may still get Palm Springs' leading newspaper at the old rate—\$2.50 per year.

And, there is no limit on the length of the subscription.

Eastbound trains pass Palm Springs depot at 12:11 p. m., 7:04 p. m., 10:08 p. m. and 10:31 p. m., leaving Los Angeles about three and one half hours earlier.

Westbound trains are due here at 5:54 a. m., 6:14 a. m., 8:28 a. m. and 4:01 p. m. arriving in Los Angeles approximately three and one half hours later. Only the 8:28 a. m. and 4:01 p. m. trains are available for local service to Los Angeles.

Even if our losses were greater in the fight which the enemy carried from the Marshalls to Truk, they have been repulsed and therefore we have won.—Vice Adm. Chosei Ogasawara.

Birds-of-Paradise, familiar now to American forces in the South Pacific, are glorious to behold but obnoxious to eat.

In all the planning, far too little has been said and done to stimulate and encourage initiative, self reliance and the sense of individual responsibility.

Dr. Macartney Now In Chicago For Church Convention

Dr. J. R. Macartney, pastor of Community church, was in Chicago this weekend to attend the General Assembly of the Presbyterian church there.

On his way back to California after the sessions he plans to stop at Oconto, Wis., on June 4. There he will preach in the first pulpit he occupied after ordination. On June 11 he plans to stop in Waterloo, Iowa, where he will also fill a former pulpit.

He will join Mrs. Macartney in Forest Home to spend the summer months late in June. Mrs. Macartney will visit friends in Los Angeles during his absence.

During Dr. Macartney's absence persons desiring the service of a pastor are urged to call Dr. B. B. Weatherall, pastor emeritus of the church at 5084, Dr. Macartney said prior to his departure.

Young People Plan to Attend Forest Home Conferences

Under direction and guidance of Mrs. Leota Coble, a group of Palm Springs young people are planning to attend a Bible conference and mountain outing for Junior high age boys and girls from July 10 to 17.

Besides daily Bible study and religious instruction, horse back riding, tennis, swimming, miniature golf, badminton and other recreations are on the program.

Cost per person for the week's conference and outing is \$13.00, Dr. J. R. Macartney said. All who plan to attend are urged to get in touch with Mrs. Coble at 396 North Palm Canyon drive for reservations.

Don't Throw It Away; Aid Society Is Able to Use It

When the householder, in packing for the summer holiday, says "What can I do with this?", the answer is to send it to the House of Friendly Service, an activity of the Welfare and Friendly Aid association here. Mrs. Charles Burket, telephone 3213, who is in charge of this project, will be glad to call for bundles if notified. The Red Cross headquarters open Mondays and Fridays during the summer, and the Health Center on East Amado road, will also serve as collection depots.

Clothing of all kinds, household utensils and bedding are in constant demand.

Nine out of 10 American children have one or more decayed teeth by the time they reach the age of 6 years.

Man Who Saw Nazi Hangman Slain Is Visitor In Village

Harold Kirkpatrick, of Pomona, who went to Europe to tour the continent on a bicycle and who remained to attend university in Czechoslovakia and later to teach English there, was in Palm Springs yesterday and told of some of the horrors of the Nazi invasion of that country and the brutalities of the Gestapo. His nose was broken during a line-up of students in a prison by the Nazis.

Kirkpatrick was arrested three times, once when a student and twice after the United States entered the war. The last time he

was sent to a concentration camp to remain until repatriated, via Lisbon.

He was in Czechoslovakia from 1939 until 1942 and saw much of the conditions there in the German invasion. In an article in Life Magazine this week he tells of the assassination of Reinhard Heydrich, the Nazi Hangman in Prague which he witnessed. Kirkpatrick was but a block away when Heydrich's automobile was waylaid and he was killed with a hand grenade and a revolver.

Many of his associates at school and in Prague were murdered by the Nazis during their continuous terror reign.

Kirkpatrick was here with Joe Valente, of Los Angeles, who showed colored motion pictures of Czechoslovakia to the Lions club here yesterday.

Palm Springs High Trackmen Shine In Chaffey Contests

Palm Springs high school really did well in the annual Chaffey Invitational track meet at Ontario last Saturday. In the meet in which one-third of the southland's high schools participated, Palm Springs high entered four varsity track men and seven "C" track athletes.

Every Palm Springs athlete scored.

Joe Sandeffer came in 3rd in the 880 yard dash, the winning time 2.07. Bob Bell took 5th place in the 100 yard dash, winning time 10.1. Dick Eherman placed 4th in the 440 yard dash, winning time 52.1 seconds.

Sandeffer, Bell, Sherman and Lienau were members of a relay team which came in 5th place.

SETS NEW MARK

The best Palm Springs record of the day was made by Dick Sherman, Palm Springs Junior, who was clocked at 53 seconds flat in the 440. Sherman's time breaks the existing ERCL record by 1.2 seconds.

In the class "C" events, George Roemer placed 3rd in the 50 yard dash, winning time 5.6 seconds. Garland Privitt took 5th place in the 100 yard dash, winning time 11.0 seconds.

Al Tartaglia took 3rd in shot put, his distance being 42 feet 6 inches. The "C" relay team, made up of Roemer, Privitt, Flynn and Galzerano, took second place, the time being 49.7 seconds.

SCORE 12 POINTS

Total points won by Palm Springs was 12.

Coach Wood Glover accompanied the Palm Springs athletes to the meet at Ontario. Events were run off Saturday afternoon of last week.

George Roemer to Represent P.S.H.S. At L. A. Coliseum

George Roemer, high school sprinter, this week won a new honor. He is the first Palm Springs high boy to qualify for the California Interscholastic Federation's track and field meet to be held at the Los Angeles Coliseum Saturday.

Roemer qualified in the CIF district meet at Ontario last Saturday in the 50-yard dash, winning the event in 5.8 seconds.

He will be accompanied to Los Angeles by Coach Wood Glover.

Torney Wins Over Camp Haan 7-6 By Last Round Rally

Coming from behind, the Torney General Hospital baseball club got back into the win column by nosing out Camp Haan 7-6 on the Torney diamond last week.

Camp Haan started the ball game at a fast clip by scoring twice in the first and second innings, and once in the third and fourth.

They were held scoreless the last three innings by Meyers, who replaced Wayne Smith, he started hurling for the Generals.

The Torney men crossed the plate once in the first, second and fifth innings and twice in the fourth, coming across with three tallies in the last frame.

Going into the last inning with the score standing at 6-5 against them, the Generals started things rolling when McNabb got a walk. Hausauer came in to pinch-hit and tied the old ball game by driving out a triple. Severson, the local's backstop, then stepped to the plate and rapped out a clean single to bring in the winning run.

McNabb led the locals in the stick work with two bingles, while Marvin, Meyers, Hausauer and Severson collected one each.

21st EM's Drop 2 Games on Invasion Of L. A. Diamonds

Invasion of the Los Angeles area by the 21st Ferrying Group Enlisted Men's softball team proved disastrous when the local lads ran into two fast clubs and lost both decisions.

Handicapped by changes in the rules under which they were accustomed to playing the EM's dropped their first game Saturday night to the McBoanga Monkeys 1 to 16 and then lost a close one to the North American Aviation team, winners of the Triple A Crown in Los Angeles, 3 to 4. A fast double play in the last inning nipped a local rally.

Thrifty 5 And 10 Closed For Summer

Mr. and Mrs. Kenneth DuBose this week are centering their activity on the 5 and 10 at Andreas and Palm Canyon drive. They closed their Thrifty store at Amado road for the summer months last Saturday.

Production of one pound of iron requires about 2.5 pounds of coal.

Pay your telephone bill before the 30th and receive a discount.

21st Ferrying EM And 469th On Top In Softball Loops

The 21st Ferrying Group Enlisted Men still dominated the Palm Springs Nightball loop with seven wins in eight starts while in the Air Base League, the 459th EM's were still undefeated in eight games and topped that loop.

Last week in the Palm Springs loop the 21st EM's took the 21st Officers 12 to 8 while the Torney Officers, only team to defeat the 21st EM's, kept up their winning stride by defeating the Torney EM's 12-8. In other games Torney EM's won from the 21st Officers 8-6 and the Torney Officers made it two for the week with a 10-9 win over the Lions club.

In the Air Base circuit, the 73rd EMs won over the 72nd Officers, 14-6, the 73rd Officers downed the 459th and HQ Officers in the wildest game of the season, 25-5, the 73rd EMs won over the 21st QMs 7-5 and the Headquarters team trimmed the 73rd Officers, 9-8.

Standing of the teams as announced by R. H. Bennett, Field Club director, are:

PALM SPRINGS LEAGUE			
	W	L	Pct.
21st EMs	7	1	.875
Torney EMs	5	4	.555
Torney Officers	4	4	.500
21st Officers	3	7	.300
Lions Club	2	5	.285

AIR BASE LEAGUE			
	W	L	Pct.
459th EMs	8	0	1.000
Quartemasters	6	2	.750
72nd EMs	5	3	.625
HQ EMs	5	3	.625
73rd EMs	4	4	.500
459th Officers	2	5	.285
72nd Officers	2	5	.285
73rd Officers	2	6	.250
723rd Band	1	7	.125

Army Golfers Get Ready to Compete In Big Tourney

With attractive awards set up by Thomas O'Donnell, military personnel in the Palm Springs vicinity will vie for honors in a two-day tournament on the Desert Golf course tomorrow and Sunday.

Qualifying rounds will be followed by tournament play and many entries are coming in from the 21st Ferrying Group base and from Torney General hospital.

Entries also have been received from Muroc, March Field and Ontario air fields.

Favorite so far is M/Sgt. Bill Bonner who recently won the 21st Ferrying Group tournament.

Close Race Marks Struggle for Lead In Air Base Loop

Leadership in the 21st Ferrying Group bowling league changed again this week when the Officers B team which last week zoomed from fourth to first, slipped back to third place by losing four points to 1270th Guard five.

The latter quintet went to the top of the pile but had to share the lead with the Post Engineers who also took a 4-0 decision during the week. Officers A team, with a 4-0 victory, drew within range and the top four teams are so closely bunched that further changes are expected next week.

Keep in Touch With the Village With Desert Sun

Leaving soon? Don't get out of touch with Palm Springs.

Just call or telephone (dial 3594) the Desert Sun office and have the Sun follow you. In that way, you'll be as smart on Village affairs as the Villagers themselves.

And if you've been buying from the newsstands, come in and subscribe and get the Sun all summer, wherever you are. Before June 1, 75 cents for three months, \$1.25 for six months—after June 1, \$1.00 for three months, \$1.65 for six.

Lions Club Gains Different Picture of Czechoslovakia

Joseph Valenta of Los Angeles and Palm Springs, a frequent visitor at the local Lions club meetings, gave that club an eye-opener yesterday, when, at their last formal meeting of the season at the Del Tahquitz hotel he showed colored motion pictures of his native land, Czechoslovakia. He had left the country just before it was overrun by the Germans.

The modern architecture of its cities, its wooded hills, its beautiful parks and scenery, amazed the club and his running comments on the country were informative and interesting. The film was a revelation to the Villagers.

Introduced as a special guest was Harold Kirkpatrick of Pomona who was in Czechoslovakia when the war broke out and who was a prisoner of the Germans for some time. He is author of an article in this week's issue of Life Magazine on the Death of the Hangman, Reinhard Heydrich, Gestapo terror in Prague.

Dr. E. E. Oertel was chairman of the day.

Philip L. Boyd, assemblyman-elect from this district, was called upon for a few remarks and thanked his fellow club members and the Village for the great support given him at the polls May 16.

President Charles Burket presided.

City Offices to Close On Saturdays

City offices will be closed all day Saturdays during June, July and August as result of action taken by city council this week.

At present the city hall is open until noon on Saturdays.

Production stoppage on metal doors, door frames and shutters is saving the United States about 120,000 tons of steel a year for war.

MORE ABOUT . . .

Air Base . . .

at 3:30 p. m., for free transportation to the air base in Army buses.

Special guests of Colonel Morgan and guests of honor at the formal military review and parade, which will take place at 5:30 p. m. on the concrete ramp at the end of Midway drive, will be Mayor Eugene Theriault, the city council, other Palm Springs city officials, and Colonel A. B. Jones, commanding officer of Torney General Hospital. The 21st Ferrying Group's military band will not only play and march in the review, but will stage a concert, both before and after the parade. Visitors will be escorted about the post in Army vehicles by military guides.

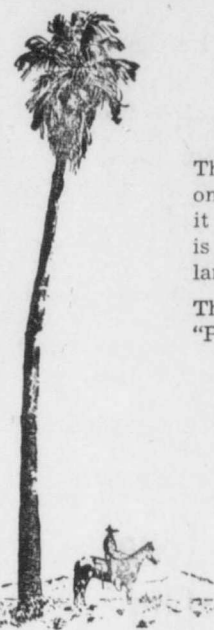

SIGNIFICANT EVENT

This anniversary of the founding of the Air Transport Command is of special significance to every citizen of the United States. Starting three years ago as an infant unit of the Army Air Forces, the ATC is now a lustrous organization playing an increasing vital role in the war effort. It is now being called "The World's Greatest Airline." Headed by Major General Harold L. George, the Air Transport Command now flies 110,000 miles of foreign routes connecting America with every theater of combat. Its transports fly on daily schedule across the world, carrying vital cargo, mail and priority passengers. To its Ferrying Division, with headquarters in Cincinnati, Ohio, and headed by Brigadier General William H. Tunner, the ATC delegates the responsibility of delivering military aircraft, from their factories to final destinations—domestic and foreign. The 21st Ferrying Group, located at the local air field, and a unit of the Ferrying Division, therefore, is an important link in this chain that is carrying the fight to the enemy's bastions throughout the world.

The Air Transport Command—and the Ferrying Division of which is a part of it—is the Command which has a pilot and crew for every plane that's made, over every route that's flown, to every fighting front.

Palm Springs Resident And Local Physician First to Use Penicillin Treatments At Redlands Hospital

A Palm Springs resident and a Village doctor made Redlands history last week when Penicillin was administered for the first time at the Community hospital in that city.

The patient was Arthur E. Bailey of Smoke Tree ranch and the physician, Dr. H. M. F. Behneman. The drug was administered to Mr. Bailey to alleviate a dangerous infection, on recommendation of the Mayo Clinic.

JUST NOW AVAILABLE

Commenting on the case, the Redlands Daily Facts of last Friday, said:

Writing a sensational record in the history of military medicine for over a year, the drug is just now becoming available for the most critical needs as the result of big scale production in new pharmaceutical plants. This week Loma Linda and San Bernardino county hospitals were designated as supply depots by the War Production board, Office of Penicillin Distribution. Yesterday afternoon the Redlands hospital received its first consignment.

Because the supply is still limited, WPB has only released the drug for treatment of conditions that have been resistant to ther-

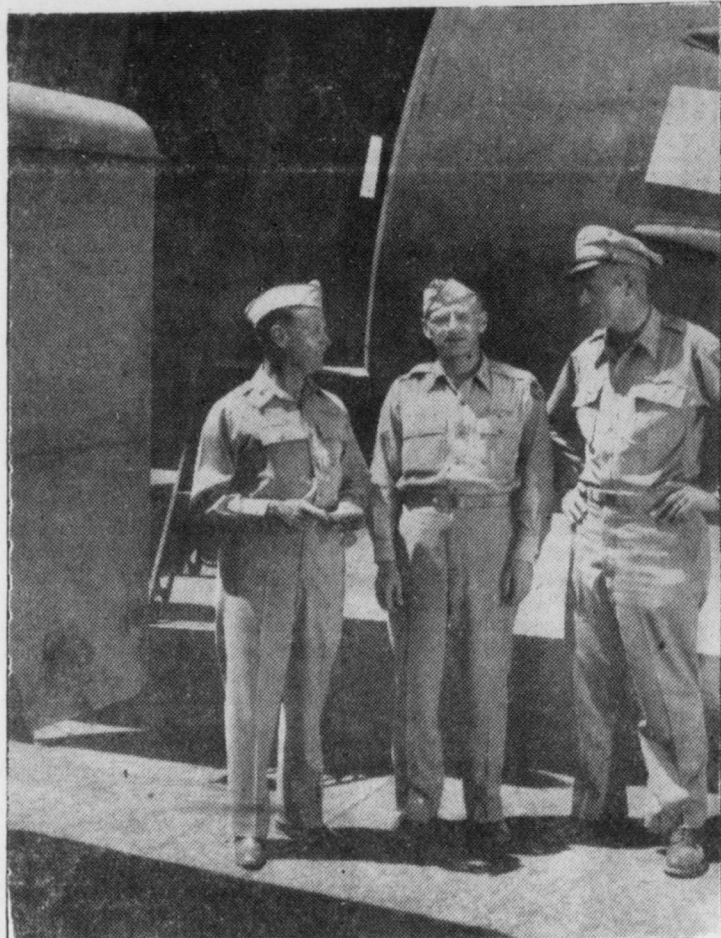

apy with sulfonamide drugs and other agents.

TELLS OF TORNEY

Lt. Col. Meredith Beaver, in civilian life a Redlands doctor, on Tuesday gave the hospital medical staff a resume of his extensive experience with penicillin at Torney General hospital, Palm Springs. While the drug works miraculous cures on certain types of infections there are many maladies for which the drug will give no more relief than would a drink of water, he said. Some of these are tuberculosis, malaria and cancer.

Whether or not a patient has an infection susceptible to treatment with the "wonder drug" can be determined in the hospital laboratory, Col. Beaver reported. If the test is negative, there is no justification for giving the drug to the patient, no matter how desperate his case may be.

To guide physicians who wish to employ the new substance, Dr.

NEW DUTIES—The 21st Ferrying Group stationed here, was engaged in new duties this week—that of maintaining an aerial ambulance service. Left to right as the first aerial ambulance left the local base this week are Major Albert E. Higgins, deputy commander Major David M. Engelhardt, group flight surgeon, Capt. William N. Phillips, base operations officer. (AAF Photo)

Chester S. Keefer, chairman of the Committee on Chemotherapy of the National Research Council, and Council and Consultant to the Office of Scientific Research and Development, has prepared a report.

DESCRIBES USAGES

Based upon the experience gained in the past year, he says, it has been found that penicillin is the best therapeutic agent available for the treatment of six classes of infections. Some of the best known to the lay public are: streptococci; gonococci types—arthritis, peritonitis, sulfonamide-resistant gonorrhea; and staphylococci—carbuncles, meningitis, wound infections and certain types of sinus and pneumonia.

The consignment of penicillin delivered to Redlands Community hospital yesterday was packed in a cardboard carton—smaller than a shoe box. In it were 15 little boxes, each containing a tiny bottle. In the bottom of each bottle was a dry powder looking like nothing more unusual than a pinch of bird seed. Because of its instability at room temperature, the substance must be kept in a refrigerator.

Being extremely soluble, the "wonder drug" is prepared for treatment by being dissolved in a simple salt solution. There are three methods of administering the solution—by injection into a muscle, into a vein, or under the skin. It cannot be taken by mouth.

Since penicillin is excreted rapidly in the urine, it is often impossible to detect it in the blood for a period longer than two to four hours. Hence, repeated injections are necessary.

SAVES THOUSANDS

Joe Choate, manager of the hospital, estimates that the cost to the patient here will be about one-third below the first market price which was \$18.50 per ampule.

Col. Beaver, in talking to the medical staff, reported that penicillin has saved the army thousands of man days through its extraordinary effect on gonorrhea. Cases that have shown resistance to sulfa drugs, can be cleared up in 12 hours with the new agent.

He has seen men who appeared to be at death's door (not from gonorrhea) respond to penicillin treatment so effectively that in two days they were able to sit up in bed and eat normally.

MORE ABOUT . . .

This Side of Sun . . .

your monthly mileage—and does the ration board believe you?

ANNIVERSARY—The Western Union celebrated the 100th birthday of the telegraph Wednesday. On May 24, 1844, Morse tapped out his famous message. A Liberty ship, Samuel B. Morse, was launched at Baltimore in honor of the occasion. . . . One of Morse's biggest contributions is that he gave the world V for Victory.

FINALLY—A news dispatch from the Pacific theater credited "the willingness to die" of U. S. troops with capture of important islands. On the same page, another dispatch, from New Jersey, said two union men had been expelled because they tested 22 to 24 trucks a day instead of the usual 10 to 12.

Village Air Base Center of Aerial Ambulance Service

A huge C-47 transport plane and crew from the 21st Ferrying Group of the Ferrying Division, Air Transport Command here, took over a new role Wednesday morning, according to Colonel Richard D. Morgan, commanding officer.

Equipped as a "Flying Ambulance" and with Capt. William H. Coryell serving as pilot, 1st Lt. Raymond G. Gillette, Jr., as co-pilot, and S/Sgt. Cecil R. Pickett acting as aerial engineer, the plane, after a flight from here to Mills Field, took over the mission of evacuating war wounded from San Francisco to general hospitals dispersed throughout the United States. Other similarly equipped planes from this base will probably be used in the assignment which will take several days for completion.

NEW RESPONSIBILITY

The project represents a new and continuing responsibility of the Ferrying Division. As a unit of the Air Transport Command, the vast organization operating the world's greatest airline, the Ferrying Division also continues to carry on its duty and responsibility of delivering Uncle Sam's huge bombers and trim fighting planes to battle fronts throughout the world.

As on all other missions, where efficiency of operation is stressed and where every available cargo space is utilized to the utmost as planes speed on their way to destinations where they are most needed, the "Flying Ambulances" will be used, on return trips, to ferry pilots and crews back to their home bases on the Pacific Coast.

NURSE AND AIDE

In addition to the flying crews, the huge C-47's will carry an Air Nurse and a Medical Technician Sergeant. Each plane is equipped to carry an average load of 18 patients.

The project is in keeping with the War Department's policy to hospitalize wounded members of the armed forces as closely as possible to their homes. The pa-

half of his brother, James Pavney, operator of music boxes in several local stores. His figures showed that to date the boxes were operating at a loss and he asked a refund on the license fee he paid under the new ordinance when it went into effect a week ago.

MACHINES STILL OUT

In the meantime, the city was without marble machines and the only juke boxes were those which had been licensed at the beginning of the fiscal year under the old ordinance.

After hearing the figures submitted Wednesday night, Mayor E. E. Theriau referred the matter to the finance committee for study.

New Field Scout Executive Selected

W. S. Kenny of San Francisco assumes his new duties as field executive of the Riverside County and Redlands Council, Boy Scouts on Monday, May 22, according to announcement by Hugo Guenther, president.

Kenny is a native of Los Angeles and entered Scouting at 12 years of age, advancing to the rank of Eagle and remaining in Scouting in some capacity for the past twenty years. He served as assistant Scoutmaster and Scoutmaster of Troop No. 33, Blythe, in this Council from May, 1933 to

SCOUT LEADER—William S. Kenny, San Francisco, newly appointed field executive of the Riverside county and Redlands council, Boy Scouts of America.

August, 1939, during which time he attended seven local Scout Leaders Training Courses, attended Camp Emerson, Idyllwild, two summers as Troop Camp Director, and assisted with the organization of a Cub Pack and Sea Scout Ship in Blythe, and Troops at Midland and Ripley.

Upon the recommendation of Carl N. Helmick, local Scout executive, Kenny attended the 65th National Training School for Scout Executives at Mendham, New Jersey, graduating in September, 1939. In October, 1939, he became assistant Scout executive

tients are being flown by air from San Francisco to general hospitals in the following cities: Ogden, Utah; Denver, Colo.; Santa Fe, N. Army And Navy Are Well Represented At Palm Springs

Military personnel predominated this week at the Palm Springs hotel with several army and navy officers registered there.

Lt. W. M. Briggs arrived from Washington, D. C., and is now at the air base here. Lt. Norman Rhodes of the ATC, just back from Europe, is also a guest at the hotel. Lt. Cmdr. and Mrs. Of, San Francisco, represented the navy at the popular hotel over the weekend and Lt. Col. H. M. Cox of the Fort Worth, Texas, air base, was a guest for three days.

The civilian influx continued, too, with Myron Plotnick of Sachs Fifth avenue, Los Angeles, a guest for several days, as were Ann Towle, Dorothy Church and Barbara Cress of Balboa. Mrs. H. L. Everheart and son arrived last weekend to join Mr. Everheart who came down from their home in Downey a week ago.

Also arriving this week were Mr. and Mrs. Joseph Farkas of San Francisco. Mrs. Farkas is a sister of George Karoly, former manager of the Palm Springs hotel, now here on a visit, and an aunt of the Misses Irene and Margaret Foldes, co-managers of the hotel.

Chapel Choir Has Enjoyable Evening of Song At Party

Miss Helen Williams and Miss Sally Lockett entertained the Chapel Choir of the Community church Sunday evening at the home of Mr. and Mrs. J. W. Williams. Many soldiers from the Ferrying Command and from Torney General Hospital were present and joined in the song-fest which was directed by Pfc. Stanley Wolking with Mrs. Holly Lash Visel playing the field organ from the air base.

Cakes, cold drinks and nuts were served to about 30 present.

The same singers will give an entertainment at the Dugout next Sunday evening at 8 o'clock. Specialties will be presented by Patricia Fowler, Martha Robinson and others. A community sing will follow and refreshments of cookies and punch will be served.

Members of the singers are Helen Williams, Sally Lockett, Catherine Croft, Barbara Croft, Marilyn Crockett, Sally Robinson, Leona Jenner and Betty Neese.

NO LOSS IN BLAZE

Brush fire at Deep Well Guest Ranch Thursday, called out the fire department. Damage was reported negligible.

Sop up the gravy and squeeze the grapefruit dry. Pick up the bones in your fingers and tip the soup bowl to get the last spoonful.—War Food Administrator Marvin Jones.

POPULAR VISITOR—Mrs. Wanda Bruno of Portland, Ore., winter resident here who has entertained many prominent guests during her stay. (Photo by Bernard of Hollywood)

Noted Portland Visitor to Leave Village In June

Mrs. Wanda Bruno of Portland, Oregon, who has been a guest at the Smoke Tree ranch with her two children since early in January is preparing to leave next month for Beverly Hills where she will make her summer home. During her stay in the Village she has entertained many out of town guests of note including Mrs. T. Hilliard of Beverly Hills, Mrs. A. Banks Wanamaker of Ogden, Utah, and Mrs. J. Fee and daughter of Portland, Oregon.

Mrs. Bruno plans to return to the Village next fall.

Rose Gautiello to Become Bride of Army Officer

Mr. and Mrs. Louis Gautiello announce the engagement of their daughter, Rose Veronica, to Lt. Joseph Poist, now stationed at Ferrying Group headquarters in Great Falls, Mont. Lt. Poist was formerly stationed at the 21st Ferrying Group headquarters here.

From here he went to Officers Training school at Miami, Fla., and upon successful completion of his course there, was sent to Great Falls, Montana.

Miss Gautiello is at present employed at the office of the Palm Springs Water company and is well known and popular here.

Wedding bells will ring in June, the exact date depending upon the time of Lt. Poist's furlough.

Gray Ladies Hosts At Mothers' Day Party at Hospital

Under auspices of the Gray Ladies of the Palm Springs branch of the Red Cross, a delightful Mothers' Day party was staged in the Red Cross lounge at Torney General Hospital a week ago Sunday. Punch, cookies and dates were served as refreshments.

Hostesses were Mrs. Frank Cutler, Mrs. Zaddie Bunker, Mrs. John Hobson, Mrs. Lillian Goff, Mrs. Eber Kanaga, Mrs. Guy Pinney, Mrs. Armand Turonnet, Mrs. Grover Poos, Mrs. William Lippman, Mrs. E. Parker, Mrs. F. Roberts, Miss Theresa Fields.

Another enjoyable affair of the week at Torney under Red Cross auspices was the Red Cross Carnival which attracted many patients, post personnel and civilian employees to its booths and side shows. Everyone had his fill of popcorn, candy and lemonade and the carnival spirit prevailed.

In the Plymouth colony, the governor required each incoming boat to bring one cow for every five colonists to relieve a severe milk shortage.

Noted Writer Is Among Guests At Colonial House

Among guests at the Colonial House over the weekend was Richard English, well known writer of short stories whose stories have appeared in most of the popular magazines such as the Post, Colliers, American and others.

He will have a story in the June issue of the Readers Digest and also in a June issue of the Post.

He also wrote the screen adoption of "Sweet and Lowdown," featuring Benny Goodman and his band.

Also from Hollywood at the Colonial House was Harry Maizlish, in charge of radio production for Warner Brothers.

Other guests included Mr. and Mrs. Albert Kuntze of McKesson-Robbins, big drug firm, and Mrs. H. G. Feinblum and Mrs. D. C. Taub, whose husbands are executives in the Calvert company.

Villagers Fly to San Francisco to Visit Mrs. Mann

Mrs. Ona Brown and Mr. and Mrs. William Malouf left Wednesday for Los Angeles where they boarded a plane for San Francisco. In the Bay area they will be the house guests of Mrs. Vivian Mann of that city, recently a popular visitor here, at Mrs. Mann's estate in St. Francis Wood.

Mrs. Mann plans many affairs in honor of her Palm Springs guests.

Doughnut Shop Is Sold By Mrs. Parry To Seattle Couple

Mr. and Mrs. George E. Minor of Seattle, Wash., who recently arrived in Palm Springs, announced this week that they had purchased the popular Doughnut Shop, on North Palm Canyon drive adjacent to the Chamber of Commerce headquarters.

They will take charge on June 1.

Mrs. Alice Caine Parry, who has been operating the shop, says she plans to take a much-needed rest but will remain in Palm Springs.

Mr. And Mrs. Irwin Entertain Riders At Farewell Party

Members of the Los Compadres club were guests at a farewell supper in the patio at the Apache Lodge last week when Harry and Martha Irwin entertained prior to their departure for the summer months.

The Irwins will spend the summer in Lincoln, Neb.

Guests at the last get-together of the season for the club were Mr. and Mrs. Joe Allard, Mr. and Mrs. Joe Butler, Mr. and Mrs. Jimmie Cooper, Mr. and Mrs. Herschel Moseley, Mr. and Mrs. Kenny Paul, Mr. and Mrs. Elmo Purnell, Mr. and Mrs. Earl Hough, Mr. and Mrs. Joe Henderson and Mrs. Shirley Foldes.

Plans For Operation of Municipal Swimming Pool During Summer Months To Be Decided By Council On June 7

Plans for operation of a municipal swimming pool during the summer months were laid before city council Wednesday night and a decision will be reached at the council's June 7 meeting. Frank W. Cutler of the Recreation Commission brought the matter to the board's attention. He declared that a survey had revealed that none of the larger hotel pools would be available as municipal pools this summer and declared that he was again ready to offer his own pool for the purpose.

The pool on the Cutler property was used with much success last summer but Mr. Cutler said the one drawback was its size. He said that negotiations were under way with Joseph Schenck to obtain the latter's pool, which is larger and was used by the USO for some time, and that he would be able to report on these negotiations at the next meeting.

A schedule of fees to be charged will also be presented. Last year the fees made up all but about \$500 of the cost of operating the pool for the three summer months. Details of the operation of the pool, hours, fees and so on, will be left to City Manager Ray M. Sorum.

One South Pacific sea turtle is large enough to furnish meat for one meal for an entire company of soldiers.

Not Bad, But—

Sir Arthur Sullivan, of "Gilbert and Sullivan" operetta fame, demanded that the singers in his company adhere strictly to his scores, but managed by the exercise of a ready wit and a friendly tolerance to lure the wandering vocalist back to the proper notes without argument or ill will.

One day a singer with a remarkably quick ear for picking up melodies, but too much given to singing by ear, got mixed up during a rehearsal and began deviating from the score.

Sullivan waited patiently until the song was finished, and then said, "Bravo! That was really a very good tune of yours! And now, if you have no objection, I will trouble you to sing mine."

AT THE PLAZA—Mickey Rooney and Bonita Granville in a scene from MGM's newest "Andy Hardy's Blonde Trouble" at the Plaza theater May 28 to 31.

MORE ABOUT . . .

Right to Sue . . .

not yet completed a study of the effect of the decision on existing cases in federal court but that he would issue a statement in this regard soon.

Early last October Mr. Littell and his aides filed suits in federal courts against 18 Indians and 266 tenants of Indian lands here, seeking an accounting of rentals collected by the defendants under the allotment plan. He issued a lengthy statement to the tribe reciting the history of the case in which he said that a few individuals were collecting the bulk of income from lands held on Section 14, made valuable by the development of Palm Springs.

BENEFIT IS SEEN

Action on these suits was later held up pending a ruling by the Supreme Court in the Lee Arenas case.

Locally opinion was divided on the effect of the decision although some Villagers, who have made a close study of the situation declared that it would redound to the Village's favor. They pointed out that if the allotment were granted and patents issued with the "right to convey," passage of Indian lands into other hands would put the lands under city zoning laws and aid in the development of the Village.

In his suit, Arenas claimed he had invested \$15,000 in improvements on the property and that he held a "vested right" to it. By the court's decision Monday, he, and other Indians who claimed allotments of valuable lands in Section 14, now have the right to sue the government for title.

MORE ABOUT . . .

Recreation Grant . . .

could handle independent of a federal grant. He estimated the federal grant was a handicap to the recreation program rather than an aid, based on experiences the past year.

City Manager Ray M. Sorum, speaking on the federal grant, said their was too much red tape connected with it and that he would rather see the city operate its own program.

On the question of acquiring the Field Club site, Mayor Eugene E. Theriault declared that he had had several replies from stockholders and that practically all of them had expressed a willingness to sell their blocks of stock to the chamber of commerce for \$1, the latter turning them over to the city. He said he would have a definite report to make at the next council meeting.

MATTER PUT OVER

Upon assurance from Mr. Cutler that he could have concrete facts and figures on the recreation program ready by the next council meeting, the matter was put over until then.

Councilman Armand Turonnet asked whether a recreation site closer to the center of town could be found and was informed by Mr. Cutler that the commission was at present working on such a proposition.

A record of 20,000 passenger cars were handled in and out of one Montreal station of a Canadian railway during August, 1942.

Mount Massive, Colorado, is the second largest mountain in continental United States, Mount Whitney being largest.

AAF Fortresses are able to precision-drop 10 tons of bombs including two 4000-pound block busters from recently developed wing racks.

Oyster shells, used to surface dirt streets, won't damage auto tires if the 35 miles an hour speed limit is observed.

**Government Renews
Lease On Air Port**

Notice from the federal government that it will exercise its option to renew its lease on the air port here for another year was read to city council this week and placed on file.

The port is leased for use as an army air base on a yearly basis with option to renew, until 1951 or six months after the end of the war.

**State Board Now
Understands City
Stand On Licenses**

City Attorney Roy Colegate and City Manager Ray M. Sorum reported to city council Wednesday night on their recent trip to Sacramento to appear before the state board of equalization to amplify the city's stand against granting of further liquor licenses here until the ratio of licenses to population was more nearly in accord with the board's own ruling of one license per 1,000 population.

The city officials testified in support of the city's protest against granting an off-sale license to the United Service Stores, Inc., at a site at 380 North Palm Canyon drive.

The protest was upheld and the city officials said the board now had a better understanding of the city's attitude on additional licenses here.

**City Manager to
Attend League Rally**

Ray M. Sorum, city manager, will attend a meeting of the Citrus Belt division of the League of California Municipalities at the Woman's club house in Upland this evening. Authorization to attend was voted by city council Wednesday evening.

Pay your telephone bill before the 30th and receive a discount.

**Muriel E. Fulton
To Move Into New
Office on June 1**

Muriel E. Fulton, local real-estate, in order to handle the increased volume of her real estate business, is moving into new and enlarged offices at 482 North Palm Canyon drive on June 1. The new space is being completely remodeled and redecorated and will be one of the outstanding modern offices of the Village when completed. The office will be open all summer and all indications are that there will be continued activity in the real estate market.

**Tauschers to Spend
Summer At Beach**

Mr. and Mrs. C. Tauscher, operators of the Hotel Winter Garden, left this week for Corona del Mar where they will spend the summer at their beach home.

They expect to be back in the Village on September 20.

**Oh, Say Can You
See—You Certainly
Can; Flag Is Back**

Oh, say can you see by the dawn's early light—

Well, maybe not that early but anyway during the day the flag will fly again from the pole before the fire station.

Credit Warren Heath, member of the department. With the aid of ropes, he went up the mast to a point where he could go fishing for the tangled rope atop the flag pole and straighten things out.

A strong gust of wind last week had whipped the flag around and snarled the hal-yards.

But all's well now and the flag will again fly over the home of the free, also the brave.

**How to Establish
Permanent Peace,
Global Gab Topic**

"How Can War Be Permanently Outlawed?" This is the question which will be discussed at the meeting of the Global Gab, USO discussion group next Wednesday night, May 31, in the Fiesta House of the Desert Inn. T/4 William Kelly of Torney General Hospital will be the leading speaker.

The meeting will be the last one to be held this season at the Desert Inn. The week after the group will move to its new headquarters in the offices of the Chamber of Commerce.

**Building Is Given
\$700 Boost With
3 Permits Issued**

Three building permits, valued at \$700 were issued by the building department this week, bringing the total for May to date to 19 permits valued at \$10,330 and the year to date to 102 permits valued at \$44,909.50.

Permits issued this week were: May 20—Mrs. Edith Lefler, Springs Auto Court, dwelling, \$350.

May 22—Frank Sabatello, 175 East Amado, repairs, \$150.

May 23—Stanley Rosin, 418 South Palm Canyon drive, remodeling, \$200.

**Applications for
Bakery and Glass
Business Studied**

Two applications for business permits, not specifically covered by the city's zoning measure, came before council this week and were referred to the city planning commission for study and report.

William W. Walters sought a permit to operate a bakery at 200 North Indian avenue, and Elmer W. Schutte asked a permit to operate a glass shop at 483 North Indian avenue. Both will be acted on at next council meeting.

Pay your telephone bill before the 30th and receive a discount.

**Deny Western Union
Parking Request**

Request of the Western Union company for restricted parking zones before its office on Palm Canyon drive was denied by city council Wednesday on recommendation of the public safety committee.

The committee declared that there was ample parking space in the rear of the office for messengers' cars.

Report On X-Rays Shows 107 Cases In County Check

Mrs. Mary French, secretary of the county tuberculosis association, reported this week that 107 potential cases of tuberculosis were found in the county in 3003 chest X-rays taken during the recent visit of the mobile testing unit of the California Tuberculosis association to the county.

Not all of these cases are "active," Mrs. French emphasized, and many are labelled "suspicious" or "moderate."

The unit was here a few weeks ago and 414 X-rays were taken. The findings were 19 possible cases, a figure in line with the county average.

Mr. And Mrs. Shannon Leave For Summer

Mr. and Mrs. F. V. Shannon have moved to Banning for the summer months.

Before their return to Palm Springs in the fall they plan to make a trip east to their old home state, Pennsylvania.

Mr. and Mr. W. W. Sawyer and daughter Virginia left Monday for Cherry Valley where they will spend the summer. The Sawyers have a home here at 1066 San Jacinto way.

Pay your telephone bill before the 30th and receive a discount.

YOUNG RIDERS—Youthful Villagers who have been learning the ways of horsemanship at the Rancho stables this season are shown above on one of their numerous rides.

Chief of Police Issues Reminder To Those Leaving

Chief of Police Lyle J. Sanard issued another reminder to Villagers planning to leave for the summer with the close of the school year to notify the police where they may be reached during their absence from their homes here.

The police make a periodical inspection of all premises during the summer and, in the event it is necessary to contact owners, desire their summer addresses and telephone numbers.

Large Audience Turns Out to View Scout Honor Court

Before one of the largest audiences to witness a like event, a Court of Honor was held by Palm Springs Boy Scouts last Friday evening at Frances S. Stevens school. Dr. E. E. Oertel of Palm Springs high school, presided as temporary chairman in the stead of Paul Summers, chairman of the district, and awards were presented to 16 Scouts for achievements during the year.

Speaker of the evening was Lt. Albert Irish, ace of the Mediterranean campaign who was seriously injured in a parachute leap from his disabled plane and captured by the Italians in the Sardinia campaign, and turned over to the Germans. He was later exchanged, the Germans probably figuring that because of a serious back injury, his fighting days were over.

Lt. Irish has been a patient at Torney and told of his experiences in the air fighting in the south to a highly interested audience.

Chief of Police Lyle J. Sanard is scoutmaster of the local troop.

Art School Plans For Palm Springs Under Consideration

Mr. and Mrs. Jan Gnagy, daughter Polly and son Stephen, are leaving this weekend, the family to spend the summer in Los Angeles and Mr. Gnagy in New York state giving a number of lectures.

Mr. Gnagy said he found there was a real demand here for an art school and plans to start a group class when he returns next fall. During the past season he confined his activities to private lessons. When he returns in October he proposes to present lectures on art appreciation and on painting and sculpture. He said that Palm Springs is a natural setting for art culture. Within a radius of a few miles there is a vast variety of subject matter not found in any other spot.

Young Riders Will Conclude Season At Party Monday

A wienie roast next Monday evening will conclude the activities for the season of a group of youngsters who have been learning how to ride this season at the Rancho stables under direction of Mrs. F. M. Engram. Numerous rides have been taken during the season by the youngsters. The affair Monday will be at Bobby Knapp's home.

Last night senior riders gathered at the Knapp home for a corn roast.

Mrs. Engram will be at the Rancho stables until the middle of June, she said. The stables are owned by Mr. and Mrs. Fred Johnson.

Village Student At Redlands Aids In Music Festival

Mildred Gibson, a graduate of Palm Springs high, daughter of Mr. and Mrs. Joseph Gibson, for the past two weeks has been participating in the spring music festival at the University of Redlands. This year the music at the festival combined the songs of those three nations so closely bound together at the present moment in the war effort — United States, England and Russia.

At Palm Springs high Miss Gibson was a member of the French club and active in musical circles. At Redlands U. she is majoring in voice and is a member of the Alpha Xi Omicron sorority.

Motorists Urged To Make Renewal Applications Early

William A. Lippman, chairman of the local war price and rationing board said this week that it was permissible for motorists to file gasoline renewal applications one week to ten days before expiration of their present rations.

"By doing this," he said, "Village motorists will not face a delay in receiving their new gasoline rations."

Baby Son Is Born to Mrs. Ralph Griest

Now it's Papa Griest. Ralph Griest, of the Desert Watch Repair, No. 11, the Plaza, returned to the Village last week from Phoenix, Ariz., where a son, John Robert, was born to Mrs. Griest at the Good Samaritan hospital.

Mrs. Griest and young son are now at the home of her parents, Mr. and Mrs. Clarence Helmericks in the Arizona city. They will return to the Village later.

5 More Blue Stamps Effective On June 1

Five more blue stamps, good for ten points each for canned, frozen and dehydrated foods, will go into effect next Thursday. They are R8, S8, T8, U8 and V8 in Book 4.

Blue stamps A8 to Q8 are now good.

No new red stamps will go into effect until a week from Sunday, June 4. Then U8, V8 and W8 will be good. A8 to T8 are now good.

Trash Pile Blaze Does No Damage

Fire which started in a trash pile on a house at the corner of San Jacinto way and Paseo de Anza Tuesday afternoon summoned the firemen.

The blaze was quickly subdued with no damage.

For Essential Transportation — Yellow Cabs. Phone 4444.

Dr. Behneman and Family Go North To Spend Summer

Dr. and Mrs. H. M. F. Behneman and daughter, Sally, left this week for their Hidden Hills ranch near Healdsburg to spend the summer, closing their home at 875 Prescott drive until fall. When they return next September, a son will accompany them, entering high school here.

Dr. and Mrs. Behneman have another daughter, Marjorie, who will complete her course at Stanford University this year. Her engagement to Glennon Bolde-mann of the U. S. Navy was recently announced. The marriage will be an event of next fall.

Goldstone Donates L. A. Hospital Unit

Phil Goldstone, motion picture producer and realtor, who recently purchased the White property, Palm Springs landmark, figured in the Los Angeles press last week with announcement that he had presented a 60-bed acute hospital unit to Mt. Sinai Hospital and Clinic, the unit to be known as the Rae Goldstone Memorial Hospital in memory of the donor's mother.

The unit will be used exclusively for the destitute sick and will cost approximately \$100,000.

Speaker Declares Every Englishman All-Out This War

Major Ralph Soto-Hall, noted orthopedic surgeon of San Francisco now with the United States army, addressed Rotarians and their guests at this week's meeting of the Palm Springs Rotary club, meeting at Torney General Hospital on invitation of Col. A. B. Jones, commanding officer.

Major Soto-Hall presented an interesting story of England in war time having just returned after two years in the medical service there.

PRAISES ALLIES

He had high praise for the English and the way in which they were conducting an all-out war. Every one is in the war over there, he said, and all are doing their utmost. The English are really making sacrifices.

He told of the care the American soldiers are getting in England and said it was of the best. He also spoke briefly on the French and Belgians and of the help given the Allies by the Underground there.

PRAISE FOR HOSPITAL

Fred Ingram presided at the meeting in the absence of President Henry S. Reid and Col. Jones was program chairman.

Chairman Ingram introduced Phil Boyd, assemblyman-elect, who thanked Villagers for the generous support they gave him at the May 16 primaries and also highly praised the work of John Chaffey who ably assisted him in his headquarters at Riverside.

Frank Cutler spoke briefly on the close relations between the Village and Torney General Hospital and praised Col. Jones for this mutual friendship which Mr. Cutler said was due to the former's fine administration.

Besides Rotarians, visiting Rotarians and guests, several city officials were guests at the meeting.

Mrs. Jack McDonald and Mrs. J. D. McDonald and four children left this week for Corona del Mar where they will spend the summer months.

By Pfc. Robert D. Price

CITIZEN BY CHOICE IS TORNEY PATIENT

Acting Corporal Sioma Glaser, Army of the United States, is the son of a Russian Commissar and author. Born in Odessa, Russia, Glaser was educated at the Hebrew University in Palestine. A citizen of Great Britain before coming to this country he's now a naturalized citizen of the United States and has been a member of the Armed Forces of this country for the past two and one-half years. A member of an ordnance company, Glaser was injured at Fort Ord, and is now a convalescent patient of Ward E-8, Torney General Hospital.

This young man who has related his experiences on the radio and to fellow soldiers in camps, was a newspaper correspondent in Europe, and has seen troops in action since 1936. He also has taken several motion picture newsreels that have been shown to soldiers all over the world.

Glaser covered the Italian-Abyssinian Campaign, and the invasion of Austria and Czechoslovakia, where he spent six weeks in a concentration camp seeing all the horrible atrocities suffered at the hands of Nazis and Fascists.

PLAN DINNER DANCES

Commencing June 3 and continuing throughout the summer months, dinner dances will be held each Saturday evening for the officers of this post and their guests. These Saturday evening events will be held on the tennis court north of the Officers' Game Room.

PRESENT "THE WOMEN"

Next Sunday, Torney patients and duty personnel are in for a real treat.

Clare Boothe's famous hit stage play, "The Women," which played for over two years on Broadway will be performed here by a group of all-Hollywood women.

Kay Linaker, the star, is well known in pictures, and Noreen Gammill, who plays Lucy and directs the production, is currently one of the top radio actresses in the country.

The rest of the cast are all Hollywood professionals that have

during the past months, toured camps and hospitals.

FORMER TORNEY MAN DIES

All members of Torney's duty personnel were saddened last week to receive the news of the death of Cpl. Ben Alford on May 10. Cpl. Alford, formerly of the Detachment of Patients Office, was enroute to a new station when the end came.

A very likable and personable young man, Cpl. Alford was particularly active in the athletic and recreation program of this installation. Many friends here on the post will long keep vivid the memory of a personal and cheerful friend.

Funeral services were conducted at Valhalla Memorial Park, Burbank, California, Wednesday afternoon, May 17. Full military services were held by men of this station, concluding with the presentation of The Flag to Mrs. Emma C. Alford, mother of the deceased.

PATIENTS TURN ACTORS

If you were in the Post Theatre Sunday night and heard a little recorded sketch advertising the Red Cross Carnival . . . you were on hand for the professional debut of four patients, turned actors, through the reconditioning program.

Patients Cpl. Joe Samatovic, Sgt. Ernest Jackson, Pvt. Harlow and Cpl. Bill Cashen, none of whom had ever had any theatrical training, performed this little recorded skit just as if they were seasoned radio actors.

USO CAMP SHOW

Last Monday, May 15, Torney was visited by the first unit of a new USO Camp Shows circuit—one which plays to service hospitals only. Not only did the highly talented and well organized group appear before a packed house at the Post Theatre, but it also made a special point of performing in bed patient wards.

TWO TRANSFERRED

Members of the ANC said goodbye this week to two popular nurses that have been assigned to TGH for the past two years.

1st Lt. Marie Kimmetts leaves Torney for the Station Hospital at Camp San Luis Obispo. During her tour of duty at this installation Lt. Kimmetts served as operating room supervisor.

2nd Lt. Helen Hooverson has been transferred to Hoff General Hospital, Santa Barbara, Calif. Lt. Hooverson was assigned to fever therapy here at Torney.

ANC MEMBER PROMOTED

The promotion of 2nd Lt. Clarice M. Joyer to the rank of 1st Lt. ANC has been announced during the past week by Capt. Edna Traeger, Torney's principal Chief Nurse.

Former Villager In Navy Course At Minnesota U.

Gilbert F. Kersten, son of Mr. and Mrs. F. Kersten, former Villagers, is now at the Naval Training school at the University of Minnesota, Minneapolis, Minn., enrolled in the electrical course of the navy there. He was selected for the course following completion of navy training at Camp Farragut, Idaho.

He completed the training school in Idaho with high honors. Kersten, rated as S 2/c, is a graduate of the grade schools here and of Banning high school, class of 1934. He has been with the Packard Electrical company for the past seven years. His father was formerly engaged in the electrical business here.

Mrs. Gilbert Kersten and their daughter, Patricia, are making their home in Portland, Ore., where Mr. and Mrs. F. Kersten now reside.

Naval Assignment Interesting Says Commander Gibbs

Mr. and Mrs. F. V. Shannon were in receipt of a letter this week from Lt. Cmdr. Earl Gibbs, now stationed in Washington, D. C. Cmdr. Gibbs writes he is much interested in his duties (he is in the supply and engineering department) and is learning to take the Washington climate in stride.

Mrs. Gibbs and children are now with him in the national capital.

Lt. Posey Leaves Village for East To Join U. S. Navy

Lt. (j.g.) Harris Posey, manager of Bullocks, Palm Springs, left the first part of the week for Washington, D. C., to report for duty in the navy.

He was recently commissioned in Los Angeles.

Mrs. Posey and daughter, Darillyn, will remain here for a few weeks more.

Villagers Step Up Salvage of Waste Fat During April

Palm Springs housewives saved 1,135 pounds of waste fats in April according to figures released by Zack Farmer, general salvage chief of the war production board for southern California. The amount was the third largest in Riverside county, only Riverside and Indio being ahead of the Village in the month's salvage effort.

While Palm Springs was well above its quota, Farmer reported that the southland as a whole was 50,000 pounds under the March effort in waste fat salvage.

Karolyn Dee Leaves For Dayton, Ohio

Karolyn Dee of the Indian Mineral Hot Springs is leaving Palm Springs this week for the summer months. She expects to spend June, July and August at Dayton, Ohio, returning here in the fall.

FURLOUGH—Jacqueline Harper Bell, first Village girl to enter military service, member of the Waves, who was a visitor here last week.

First Local Girl to Don Uniform Here On Furlough

Jacqueline Harper Bell, first Palm Springs girl to don a uniform in service of her country and a member of the Waves, was in Palm Springs last weekend on a visit. She is the daughter of Mr. and Mrs. Norman H. Bell, 954 North Patencio road.

Miss Bell was here for a week. It was her first visit home since she entered the navy last October and received her training at Hunter college, New York. She is now in the personnel department and stationed at Hunter college.

She flew out to San Diego in a navy plane and said it was the "thrill of a life time." After a week with her family here she left last Sunday by train for New York.

Therieu, Allen And Partridge Shuffle Offices

There were some changes made this week at the law offices of Eugene E. Therieu, the real estate office of Walter Z. Allen and the photographic workshop of Frank Partridge at 315-317 North Palm Canyon drive.

Messrs. Therieu and Allen swapped offices, the former now occupying the suite on the south side and Mr. Allen on the north. Mr. Partridge maintains his dark room at the same site but has as his "front" office the former private office of Mr. Therieu.

The new arrangement makes for greater convenience of all concerned and their patrons and clients.

Complete Survey of District Needs Planned By Boyd

Plans to visit every section of his district to discuss affairs with his constituents in every community, were announced by Philip L. Boyd, first mayor of Palm Springs and long prominent in civic affairs here who was elected to represent the 76th district in the state assembly at the primaries a week ago Tuesday.

With the campaign out of the way because of his nomination by both parties May 16 and therefore no opposition in November. Mr. Boyd plans to devote his time between now and the start of the next legislative session in January, 1945, becoming even more thoroughly acquainted with his district.

In a statement issued this week he said:

"The large vote which I received in the Primary has given me a feeling of great obligation to the citizens of Riverside County. Their demonstrated confidence in me will stimulate my effort to serve them faithfully and as conscientiously as possible. Having been elected in the Primary I shall keep my promise to devote considerable time this fall to properly preparing myself for effective service in the Legislature next January. Before that time I shall visit each section of the County for a conference with the local people on problems of interest to them."

Desmonds to End Very Successful Season on May 31

Larry Schultz, manager of Desmond's Palm Springs store, announce this week that Desmonds would close for the summer on May 31.

Mr. Schultz and family will spend the summer at their home in Westwood and he will be at the various other Desmonds stores until fall. He plans to reopen on October 1, a month earlier than has been the practice.

The season just closed was one of the best in the store's history here he said, especially in regard to resort wear.

Robert Peterson Visitor In Village

Robert Peterson, city clerk of Palm Springs, on leave of absence to serve in the United States Navy, was a visitor in Palm Springs last weekend.

NEW HATS FOR WACS—Cpl. Della M. Hodson of the 21st Ferrying Group, Ferrying Division, ATC, army air field at Palm Springs, Calif., models the new overseas cap for wear with the summer uniforms recently authorized for issue to members of the Women's Army Corps.

The Army Takes Care of Its Wacs—They'll Be Wearing New Hats Soon

Just like their civilian sisters—a celebration often calls for a new bonnet.

The Air Transport Command Air Wacs celebrated their second anniversary of the Women's Army Corps with just that, and the Wacs at the 21st Ferrying Group, Ferrying Division, ATC, army air field at Palm Springs will soon be sporting the newly designed chapeaux.

A distinctly feminine version of the regular Army overseas cap, it is an eye-catcher de luxe. The smartly tailored number is made of khaki tropical worsted and its soft, smooth lines, fitting the back of the head snugly and coming to a graceful point on the forehead, is a real treat to the GI Janes and also the GI Joes.

The cap is being issued for wear by enlisted Wacs with the new summer uniforms recently authorized for summer dress wear and is bordered in braid of old gold or moss green (Wac colors). The new uniform is similar to the summer uniforms worn by Wac officers, the only difference being that the enlisted uniform does not have the khaki braid on the sleeve cuff.

A cap of the same design also will soon be available in cotton twill and a winter version of the new cap is planned.

Cathedral City's Totem Pole Cafe Open All Summer

Mr. and Mrs. George Mandravelis, owners and operators of the Totem Pole cafe at Cathedral City, popular eating spot of that community, are planning to remain open for business all summer. Mrs. Mandravelis said this week.

The Totem Pole is popular, not only with residents of this area, but with the traveling public.

The trend of youth toward crime is directly traceable to broken homes and irresponsible parents, who do not take time during this wartime period to counsel and guide their children. —F. B. I. Director J. Edgar Hoover.

New And Exclusive Men's Shop to Be Opened Next Fall

Palm Springs will have a new and exclusive shop next fall, managed by an experienced men's wear merchant, it was announced this week.

Fred Fulton, who came to Palm Springs in 1942 from Centralia, Wash., and who has been in charge of the Men's wear department at Bullocks Palm Springs, this week revealed plans to open Fulton's Men's Shop on the Hotel Oasis grounds. He has leased the building on the grounds formerly known as the manager's house. It is on Palm Canyon drive and in an excellent location.

Mr. Fulton plans to deal exclusively in men's wear manufactured by southern California manufacturers who specialize in resort and desert wear. These high class sports wear items have achieved national fame and Mr. Fulton will handle them exclusively in the Village.

He owned and operated a men's shop in Centralia for a number of years.

His wife has been assistant to Dr. Henry S. Reid.

3 FINE HOMES

MR. JONES—This is Mr. Jones, property of Phil Kasper, who engraves the Desert Sun's pictures. Engraver Kasper thinks so much of Mr. Jones that he dropped into verse to tell about him. (Phil Kasper Photo)

A Tribute To Mr. Jones

Mr. Jones, that's the name of my dog, you know, Is a fuzzy fellow with an inquisitive face.

His ancestry's vague, only know he's a male With a black button nose and a loop of a tail.

He sits on my shoulder while out on a drive, He follows me 'round, in my company he's proud.

A dog can be trusted, his time he will lend To be with his master, a true honest friend.

Soon he forgets the spankings he got To rid him of violating home sacred spots.

But a comfort he is, watching me all agog For a man's best pal is his own faithful dog.

Masonic Luncheon Club and Guests Meet at Luncheon

Members of the Palm Springs Masonic club and guests met Tuesday noon at the Del Tahquitz hotel in informal luncheon session, presided over by Frank V. Shannon, recently installed president.

Philip L. Boyd, assemblyman-elect from this district, addressed the gathering briefly and it was reported that 15 Villagers had recently joined the Masonic lodge at Banning and that 13 others are now in the process of taking degrees.

After the war, when the local Masonic Temple is built on land already owned by the group, a local lodge will be active.

Of course the child with a home lesson must keep a radio percolating near by in case of a breaking development in geography.—Milwaukee Journal.

Forests in Quebec Province south of the 54-degree latitude amount to some 262,300 square miles.

Nesmith Is Again Given Awards For Inventive Ability

If there's a better way to do a job, Ralph Nesmith, Villager, will find it, in the opinion of civilian and military personnel at Torney General Hospital.

Some time ago Mr. Nesmith, foreman of the hospital laundry, won a \$60 award through the Employees Suggestion and Cash Award program of the War Department. On Saturday, Lt. Col. E. T. Thompson, executive officer of the hospital presented a second award in the amount of \$40 to Mr. Nesmith for his idea of a better way to open wet barracks bags.

STUDIES PROBLEM

Each week the Torney General Hospital laundry handles an average of 960 barracks bags, and when all are wet or even damp it is a slow job to get them open by hand. Noticing that considerable time was being lost through no fault of the employees handling the bags, Mr. Nesmith studied the problem and within a week had his mechanical opener installed and operating satisfactorily. Now there is no longer a difficulty with denim and rope, which when wet, refuse to move except under extreme pressure.

Estimated saving in labor on 960 damp or wet bags is 90 hours per six day week. On this basis, monetary saving over one year would amount to \$3,300. Initial cost of installing the opener which can be operated with one hand is \$10 plus one week's work.

NATIONAL USAGE

Los Angeles office of the Ninth Service Command which made the award indicated that the suggestion is being forwarded to Washington for possible adoption on a nation wide scale in other laundries where a similar problem exists.

Another of Mr. Nesmith's inventions, an "ACE" bandage roller has also been submitted to the War Department for approval. This simple gadget which has been in use at the laundry for some time has proven to be one of the greatest time savers installed to date. When operated electrically it enables a woman to accomplish as much work in two hours as she would normally turn out in an eight hour day.

Laundry employees at Torney, who are constantly having their work problems solved by Mr. Nesmith, applauded heartily when he was presented with his second award Saturday.

"We are indeed fortunate to have such an ingenious employee on the hospital staff," said Lt. Col. Thompson in presenting the award.

MORE ABOUT ...

One Dead ...

were Adele Rattero, 34, and Marie Perrango, 32, both of San Francisco. Receiving minor injuries were Rose Kahoe, 28, of Oakland, Alfred Tritschler, 36, of Los Angeles and Nate Rosenbaum, 44, of Highland Springs.

The injured were removed to Torney General Hospital where they are now reported out of danger.

ACROSS HIGHWAY

The car in which the six persons were riding was thrown across the highway while Rudy's Ford was thrown off the road.

Policeman Harry Haan of the local department responded to the first call and summoned Gene Henderson of the California Highway Patrol as the crash occurred outside of the city limits. The wrecked cars were removed by Kenny Paul's garage crews.

Rudy was once welterweight champion of California in professional boxing ranks and in 1934, before becoming a pro, held the Golden Gloves title in that division.

FAMILY LIVES HERE

He was a native of Connecticut and funeral arrangements await arrival of a sister from that state this weekend. Wiefels and Son of Banning are in charge.

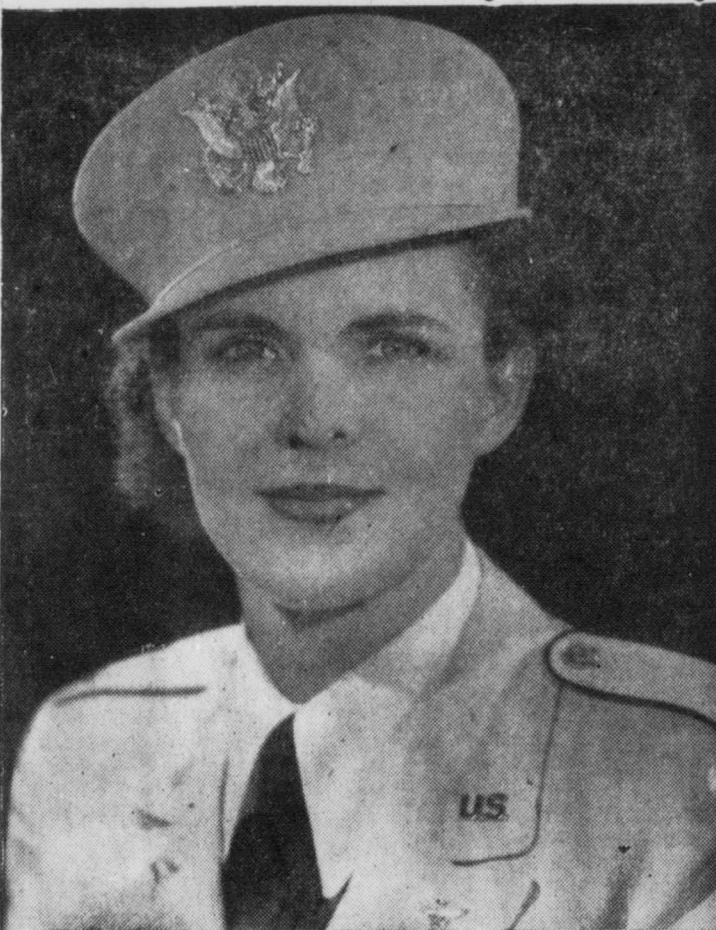

He is survived by a wife and two children who reside in Palm Springs. He was on his way home when the fatal accident occurred.

"What did your wife say when you came home intoxicated last night?"
"Nothing. And I was going to have those front teeth pulled anyhow."

Portrait of the Week

By BERNARD of Hollywood

This is by way of being a "guest portrait of the week" . . . it reveals that duty and glamor do go together . . . This week's Sun Siren is Lt. Eleanor Dennison, physical therapy aide and now at Torney General Hospital . . . She entered the army Nov. 1, 1943 . . . a native of Pennsylvania . . . Her mother,

Mrs. D. F. Dennison, now lives in Concord, Ohio . . . Graduate of Sargent College, Boston, University, 1939 . . . Bachelor of Science in Physical Education and certificate in physiotherapy . . . Likes swimming best of all sports . . . Prefers her music corny, jazzy or otherwise.

Summer Program of Full Activity Planned By Welfare Association At Final Session of The Season

BY MARGARET CREE

A summer program which will continue all activities of the Welfare and Friendly Aid Association during the next four months was planned Wednesday afternoon at the last regular meeting of that group for this season. With the president, Mrs. Harold Hicks, presiding, a large number of board members gathered to hear reports and to outline the summer work.

Miss Katherine Finchy reported on the number of free lunches for school children provided by the welfare board, and the improvement in health of the individuals and families assisted by the association was a matter of pleasure to the members.

Mrs. Dorothy Smith, director of the Girl Scout program in Palm Springs, reported that many girls are hoping to attend Scout camp at Idyllwild this summer.

The board, which is sponsoring the movement, will assist in making camp attendance possible for several girls of special ability in learning Scout practices which will be of help in the program here next winter. Scouts who remain in Palm Springs during the summer will be able to carry on their activities.

The group adjourned to meet September 20.

Popular Villager Listed As Captive In German Prison

Listed by the war department as a prisoner in Germany is Staff Sgt. Benjamin R. Madamba, ward of C. King Charney of the Lone Palm hotel.

S/Sgt. Madamba is well known to many Villagers.

He was reported missing in action a few weeks ago but this week is listed among 22 southlanders captured by the Nazis.

Through new steel alloy processes, Army Ordnance saved enough nickle to supply the needs of 46,000 heavy tanks and 17,000 75-mm. howitzers.

Death Ends Long Writing Career of Harold Bell Wright

Harold Bell Wright, noted author and home owner here, succumbed late Wednesday to bronchial pneumonia at a La Jolla, Calif., hospital. Funeral services will be private.

While here, the famous writer lived at 287 Morongo road.

His first novel written was the "Printer of Udell's" and it gained immediate success. Mr. Wright, who was a minister at the time, abandoned the pulpit for the pen and for almost two decades turned out a novel a year.

At the time of his death he was living on a ranch on a lonely road outside Escondido where he sought seclusion from the crowds attracted by his fame as an author.

He is survived by Mrs. Wright and two sons.

Mrs. Charles Reeb Ends Winter Stay In Palm Springs

Mrs. Charles W. Reeb, prominent club woman of New York City who has been a winter resident of Palm Springs for the past few months, left this week for her home, going via Los Angeles and Chicago with numerous stops en route. She plans to be home in time for the democratic convention.

Mrs. Reeb came to the Village to be near her son, Pfc. Gerald G. Reeb, a patient at Torney General Hospital who has since been cured and returned to duty. She was high in her praise of Col. A. B. Jones, commander at the hospital, and his staff for the treatment accorded her son.

While here Mrs. Reeb played a
